of Jackson County**

EDUCATION COMMUNITY SOLUTIONS TEAM

Mission/Purpose Statement:

All Jackson County students meet state graduation requirements and are college and/or career ready.

Guiding Principles:

- Advocate for coordinated community systems and supports that serve youth
- Help the community see the value of a good education
- Encourage post-secondary education and life-long learning

Target Areas and Outcome Statements:

Improve child's social and emotional health to increase academic success

- Provide social and emotional support for children
- Support the social needs and academic requirements of at-risk youth

Engage children in learning by responding to their diverse learning styles

- Increase opportunities for mentoring relationships
- Provide tutoring to address academic issues
- Provide enriching opportunities for children

Support families to improve academic achievement

- Connect families with the assistance they need to support their children's school success
- Promote positive parenting practices and strong families
