INCOME COMMUNITY SOLUTIONS TEAM

Mission/Purpose Statement:

Promoting financial stability and independence in our community

Guiding principles:

Monitor economic conditions and adjust the distribution of resources as needs change

Monitor and support the work of other efforts in the community pertaining to *Income*

Target Areas and Outcome Statements:

Basic Needs

- Provide utility, food and housing assistance
- Increase awareness and access to community services
- Promote a safe home environment

Increase Income/Build Savings and Sustain Assets

- Educate people on how to save and spend money wisely
- Promote community efforts to increase hard and soft employment skills
- Promote education options for increasing and sustaining assets

Economic Development/Infrastructure

- Provide access to affordable transportation options to enhance access to employment, healthcare, other social services and pro-social activities
- Promote safe, stable and affordable housing (e.g. through provision of housing advocates)
- Enhance networking between economic development, neighborhood stabilization, government and human service efforts
